

Avion Manufacturing, Inc. CAPABILITIES STATEMENT

CAGE: 1WYD4 | **UEI:** DH21PKGXF1N7
GSA MAS: 47QSMS24D0017
Website: www.avionavtask.com
Phone: (636) 745-3677
Address: 75 Cooperative Way, Wright City, MO. 63390

Capabilities Narrative

Founded in 1992 and headquartered in Missouri, AVION, INC. (Name Change in 2002) Now Avion Manufacturing 2002) is a trusted federal contractor with over three decades of experience delivering advanced aviation support systems, depot-level diagnostics, and mission-critical maintenance solutions. We serve military aviation programs with a core focus on readiness, precision tooling, and aircraft system sustainment. Avion Manufacturing, Inc. is recognized for its ability to support complex DoD logistics environments and fulfill technical requirements in both prime and subcontract roles.

Core Competencies:

- ✓ Rotor blade diagnostics & repair
- ✓ Static balancing & test equipment (NSN integrated)
- ✓ Aviation MRO support and on-site training
- ✓ Field deployment & sustainment services
- ✓ Engineering modification for allied aircraft systems

Differentiators:

- ESOP-owned with workforce accountability & continuity
- NSN-listed rotor support products used by DLA and AMCOM
- Global rotorcraft sustainment performance across U.S. and partner fleets
- Fast turnaround blade triage, diagnostics, and fieldable test equipment
- GSA Schedule for simplified procurement
- Strong past performance on contracts involving balance fixture upgrades and test systems

NAICS Codes

336413 | 334419 | 488190 | 611430 | 334515
332710 | 541330 | 541380 | 333998 | 541614

PSC Codes:

4920 | 4940 | 1615 | 1680 | 6670 | U009 | R499 | L015 | J015 | K015

Contract Vehicles:

GSA MAS Schedule - SINS 488190, 336416, OLM
Eligible for open market awards, IDIQs, and BPAS
Compliant with DFARS, and AS9100 standards

Past Performance:

- DLA Aviation (Richmond, VA): Balance fixture supply and maintenance tooling
- Army AMCOM (Redstone Arsenal): Static and dynamic aircraft diagnostic systems
- National Guard (PA, CA, GA): Helicopter system training and test equipment
- U.S. Army | U.S. Navy | Marine Corps | Boeing | Lockheed/Sikorsky
- FMS: Egypt, Jordan, Colombia, UK, Korea, Netherlands, Australia
